

Mistral PG Doors

COMING SOON

Mistral Doors PG is a vertical plug-in cabinet with doors operating at positive temperature, powered by propane refrigerant gas (R290). It is designed with a strong focus on energy efficiency, offering extremely low noise levels and minimal consumption. This product is part of Mistral range, the next generation of DRR vertical cabinets. Designed for low energy consumption and high efficiency, it simplifies multiplexing operations while maximizing performance. Mistral combines elegance and simplicity with outstanding product visibility, adapting seamlessly to any display need.

CLIMATIC CLASS: 3M2 - 3H

ENERGY LABEL
