

Beryl 2.1 SV

Semi-vertical plug-in promotional island, operating at medium temperature, powered by propane gas R290. Beryl 2.1 SV is suitable for the display and self-service sale of pre-packed products such as meat, delicatessen, dairy products, fruit & vegetables. This semi-vertical model offers large storage capacity thanks to the double bottom – d. 600 - shelves and four upper shelves – d. 300 - while keeping energy consumption extremely low. Beryl 2.1 SV has been designed to provide maximum visibility of the displayed products, making it particularly suitable for store areas dedicated to promotions and impulse purchases. Beryl is also available in the BERYL 2.1 LS version.
