

Bermuda 2.0 FD

Bermuda 2.0 FD is a serve over counter, at normal temperature, suitable for the display and sale of fish and mus-sels. Tank entirely made of stainless steel AISI 316 specifics for saline environment.

The tank is entirely made of AISI 316 stainless steel, specifically designed for saline environments. The tank com-ponents are electrically welded to ensure a perfect water seal, while the integrated water drains make daily cle-aning easier, helping to maintain the highest level of hygiene inside the counter at all times.

The Bermuda 2.0 range is available in the following models: Bermuda 2.0 FD with straight front; Bermuda 2.0 VD with straight glass; Bermuda 2.0 VC with curved glass; Bermuda 2.0 LS self-service.

The entire range is also available in plug-in version.

CLIMATIC CLASS: 3M1
