

Patmos 2.1 SV

Semi vertical multi-deck suitable for the display and self-service sale of prepacked products such as meat, delicatessen, dairy products.

Patmos 2.1 SV is an extremely versatile semi vertical cabinet that offers an high TDA, while maintaining a limited footprint.

The Patmos 2.1 range is the evolution of the previous 2.0 version, now even more versatile and high performing. Its essential design is characterized by lightness and transparent shapes, ideal for ensuring excellent visibility of the goods on display. Thanks to its various setup and ducting options, along with the numerous models available, the Patmos 2.1 range is perfect for any sales area, from small shops to larger store formats.

To complete the offer, the “HQ” version was created, featuring a 130 mm higher front.

CLIMATIC CLASS: 3M1 - 3M2
