

Patmos HQ 2.1 NR

Serve over counter not refrigerated suitable for the display and sale of bread and other products that do not require a particular storage temperature.

The Patmos 2.1 range is the result of a further evolution of the Patmos 2.0 range. The design is essential, characterized by lightness and transparency of shapes, ideal for ensuring excellent visibility of the goods on display.

With its various setup and ducting options, and the numerous models available, the Patmos 2.1 range is presented as a highly versatile solution, ideal for any sales area, from a small specialist shop to a large supermarket.

To complete the range, this version called “HQ” with a 130 mm higher front was created.

Patmos HQ 2.1 is also available in the following versions: serve-over ((PATMOS HQ 2.1), convertible (PATMOS HQ 2.1 CV), meat (PATMOS 2.1 MEAT), hot sections (PATMOS HQ 2.1 TC).

Product categories

Energy Label

Model not subject to Energy Labelling (Ecodesign 2019/2024 and Energy Labelling 2019/2018).
