

Mistral SV Doors

This is the semi-vertical version of Mistral, a multi-shelf cabinet with doors engineered to maximize vertical space, optimize refrigerated capacity, and boost performance.

Its versatility is further enhanced by the choice of sliding or hinged doors, making it ideal for any retail environment.

This product is part of the Mistral range, the next generation of DRR vertical cabinets. Designed for low energy consumption and high efficiency, it simplifies multiplexing operations while maximizing performance. Mistral combines elegance and simplicity with outstanding product visibility, adapting seamlessly to any display need.

CLIMATIC CLASS: 3M1 - 3M2 - 3H

ENERGY LABEL

Energy class referred to a specific cabinet configuration, which may significantly change for a different one.

OPERATING TEMPERATURE (°C)

0 / +2 +3 / +5 +6 / +8

Height (mm)	1510				
Length (mm)	1250	1620***	1875**	2500*	3750
