

Amethyst SV

Self-service promotional island, at normal temperature, suitable for the display and sale of prepacked products such as delicatessen and dairy products.

Amethyst range, powered by propane refrigerant gas R290, is characterized by exceptional flexibility in positioning inside the store, thus making it perfect to any type of store, from small shops to large hypermarkets surfaces. The Amethyst range has been designed to offer maximum visibility to the displayed product, for this reason it is particularly suitable for store areas dedicated to impulse buying and promotional sales.

Amethyst is available in the following models: AMETHYST LS, AMETHYST SV, AMETHYST LIGHT LS, and AMETHYST LIGHT SV.

CLIMATIC CLASS: 3M2 - 3H

ENERGY LABEL
