

Milos 2.0 PG LS

Serve-over counter, at normal temperature, suitable for the display and self-service sale of prepacked products such as meat, delicatessen, dairy products and gastronomy.

The Milos 2.0 PG is a serve over counter range with built-in unit, powered by propane refrigerant gas R290. It is an easy-to-install “plug and play” solution, particularly suitable for small and medium-sized sales surface or where it is not possible to install a refrigeration system. The Milos 2.0 PG range offers a minimum footprint on the ground, thanks to its extremely compact dimensions, and the maximum display surface and visibility to the products.

Milos 2.0 PG is equipped with back refrigerated storages.

Milos 2.0 PG is also available in the serve over version MILOS 2.0 PG.

Climatic class 3M1 - 3M2
