

Bermuda 2.0 PG FD

Bermuda 2.0 PG FD is a serve over counter, at normal temperature, suitable for the display and sale of fish and mussels. Tank entirely made of stainless steel AISI 316 specifics for saline environment.

The tank is entirely made of AISI 316 stainless steel, specifically designed for saline environments. The tank components are electrically welded to ensure a perfect water seal, while the integrated water drains make daily cleaning easier, helping to maintain the highest level of hygiene inside the counter at all times.

The Bermuda 2.0 PG range is available in the following models: Bermuda 2.0 PG FD with straight front; Bermuda 2.0 PG VD with straight glass; Bermuda 2.0 PG VC with curved glass; Bermuda 2.0 PG LS self-service.

The entire range is also available in remote version.

CLIMATIC CLASS: 3M1
